From rough to refined

SBM GOLD White Cement Putty:

The Perfect Solution for Your Wall Finishing Needs

Transform your walls with SBM GOLD White Cement Putty, a premium wall putty specifically designed to provide a smooth, plain finish and prepare your walls/ceilings for painting. This versatile putty is suitable for both interior & exterior applications, offering exceptional coverage & enhancing the longevity of your paint.

Key Features of SBM GOLD Wall Putty:

1. **Smooth Finish:** Achieve a flawless, plain finish with SBM GOLD Wall Putty, giving your walls a polished look & improving the overall appearance of your space.
2. **Surface Smoothing:** Eliminate roughness and imperfections on the surface, ensuring a seamless & even application of paint.
3. **Excellent Spread and Adhesion:** SBM GOLD Wall Putty spreads easily on your wall surface, providing excellent gumming quality & enhancing the adhesion of subsequent layers of paint.
4. **Easy to Use:** Our wall putty comes in a convenient powder form, making it easy to handle & prepare for application.

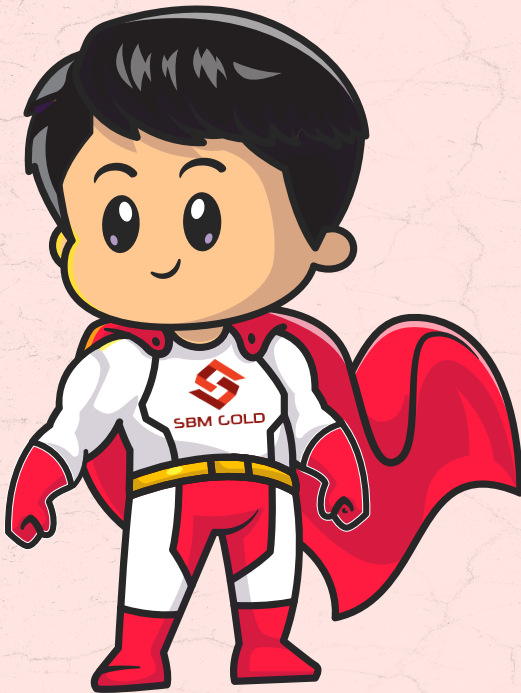

Directions for Use:

1. Apply only on cement concrete/cement plastered surfaces, ensuring the surface is clean & free from dust or loose particles.
2. Mix SBM GOLD Putty powder with water to achieve the desired consistency.
3. Use a putty blade to apply the paste on the prepared surface, ensuring even coverage.
4. For a smooth finish, two coats with a maximum thickness of 1.5-2.5 mm are recommended. Apply the second coat only after the first coat is completely dry.
5. Store the bag in a dry place and open it just before use to maintain the quality of the product.

Precautions:

1. Prepare the required quantity of putty & use it within 2 hours of mixing to ensure optimal results.
2. Ensure that the total thickness of the coats does not exceed 2.5 mm for best performance.
3. Close the pack tightly when not in use & clean the equipment immediately after use to prevent drying & hardening.
4. Keep the bags away from moisture to maintain the integrity of the product.

Choose SBM GOLD White Cement Putty for a flawless, long-lasting finish on your walls. Our high-quality product and easy application process make it the ideal choice for achieving smooth and aesthetically pleasing walls.
